During our stay in beautiful **Lake Placid, Florida** we will see many fascinating sights. Ninety-eight percent of commercially produced **caladiums** come from this area. About a dozen growers work the 1500 acres of lake-bottom land that has proven so fertile for caladium development since the late 1940's. The beautiful Caladium Fields should be colorful for your viewing pleasure during our visit. Lake Placid offers more than caladiums, too! Most years, Highlands County is Florida's second largest citrus producing county;

about 14% of all fruit grown in Florida originates here. Currently, about 93,000 acres are devoted to horticulture, including fruits, vegetables, sod and ornamental plants. The other big thing in Lake Placid are the **Murals**. Over 40 lovely and varied paintings are found on buildings all over town. This is not graffiti, it is very beautiful, well maintained art and the pride of Lake Placid with it's history displayed in a most unique manner. The largest mural is "The Cracker Trail Cattle Drive" by artist Keith Goodson. This mural covers the back wall of a former Winn Dixie store and is 175 feet long and 30 feet high with a scene of cattlemen driving a herd through Lake Placid.

Also, on our schedule, is a visit to **Toby's Clown School**. Toby's Clowns have been bringing smiles to life in Highlands County, Florida since 1993. Keith "Toby" Stokes began spending time in Lake Placid, but missed being a Shrine clown when he was down south. He organized the first class of clowns and graduated 6 clowns. Now we are proud to say more than 2500 clowns have graduated from the American Clown School. Our mission is to teach the art of clowning and to spread Smiles, Love & Laughter, but there's more to see at the clown house. First of all, on the exterior walls, you will discover two of the towns famous murals. One is "Toby's First Clown Class", by Keith Goodson. The other is "The Art of Clowning", by Monica Turner. Our tour will include a performance and museum tour at the Clown School!

A four-hour visit is planned on both days to the **Seminole Brighton Casino** with everyone receiving a valuable Playpass coupon book each day offering discounts on food, Poker and more. This is one of the Seminole Casino's smaller locations, yet filled with exciting gaming action.
